## *Report to the Oversight Committee*

Action Item

Agenda Item No.

City Manager Approval

**To:** Honorable Members of the Oversight Committee for the Successor Agency to the Dissolved Auburn Urban Development Authority

**From:** Robert Richardson, City Manager  
Megan Siren, Administrative Analyst

**Date:** December 2, 2013

**Subject:** Loan Agreement with City of Auburn

### **The Issue**

Shall the Oversight Board approve a loan agreement with the City of Auburn?

### **Conclusion and Recommendation**

Staff recommends that the Oversight Committee, by RESOLUTION approve a loan agreement with the City of Auburn.

### **Background**

On June 28, 2011, as part of the 2011-12 State of California budget bill, companion bills Assembly Bill 1X 26 (AB 26) and Assembly Bill 1X 27 (AB 27) were enacted, dissolving the Auburn Urban Development Authority (AUDA), unless the City of Auburn (City) elected to participate in the Alternative Voluntary Redevelopment Program established by AB 27 and paid an annual “community remittance” payment to the County of Placer. On July 18, 2011, a Petition of Writ of Mandate was filed in the Supreme Court of the State of California in the matter of *California Redevelopment Association, et al. v. Ana Matosantos, et al.*, Case No S194861 (Legal Action), challenging the constitutionality of AB 26 and AB 27 on behalf of cities, counties and redevelopment agencies. On December 29, 2011, the Supreme Court issued its opinion in the Legal Action, upholding AB 26, invalidating AB 27, extending certain statutory deadlines under Health and Safety Code Sections 34170 through 34191, and dissolving all redevelopment agencies throughout the State effective February 1, 2012.

### **Analysis**

The City elected to become the successor agency to AUDA by Resolution No. 12-03, dated January 9, 2012. In June 2012, the Legislature passed AB 1484 for the purposes of making technical and substantive amendment to the Dissolution Act that sets forth the process of unwinding the former Redevelopment Agency. Pursuant to AB 1484, the Successor Agency is a separate legal entity from the City of Auburn.

One of the responsibilities of the Successor Agency is to prepare Recognized Obligation Payment Schedules (ROPS), which set forth the nature, amount and source(s) of payment of all “enforceable obligations” of AUDA (as defined by law) to be paid by the Successor Agency after AUDA’s dissolution, covering the forward-looking six month fiscal period. The Successor Agency has

submitted and obtained approval from the Oversight Committee and the California State Department of Finance (DOF) for five ROPS cycles. When the initial ROPS cycle occurred, the Successor Agency understood and believed that funds received from the second ROPS cycle were to be utilized for the first ROPS cycle. Due to this oversight, the Successor Agency has suffered an ongoing shortfall. The shortfall is currently approximately \$187,564 in the Successor Agency's reserve fund for debt service, and is identified on the current ROPS as line item #4. To avoid the potential default of the Successor Agency's debt service reserve, the City advanced funds from the City's pooled cash account (quasi-transfer for funds from the general fund) as a means to fund DOF approved enforceable obligations as a short term loan.

DOF has approved of this procedure in general terms, and has indicated that as long as the City and Successor Agency formalize the loan in an agreement, the City may ultimately be paid back for this advance. The Oversight Board must approve such a loan agreement before the City and Successor Agency can execute it.

The DOF is requesting that the Successor Agency submit an Oversight Board-approved loan agreement with the current ROPS and all future applicable ROPS cycles to support line item #4; this loan agreement is consistent with Health & Safety Code Section 34173(h), which permits a loan from the City to the Successor Agency for the purpose of paying approved enforceable obligations, administrative costs or project related expenses to be deemed an "enforceable obligation" and placed upon a ROPS for repayment.

**Alternatives Available to Successor Agency; Implications of Alternatives**

1. Proceed with Staff Recommendation
2. Do not adopt a resolution.

**Fiscal Impact**

The loan agreement will allow the Successor Agency to maintain the debt service reserve required by the bond covenants and permit the Successor Agency to include the loan on line item #4 of the ROPS until sufficient RPTTF payments are recovered to repay this loan and its modest accrued interest (rate of 1%).

## **LOAN AGREEMENT BETEWEEN CITY OF AUBURN AND SUCCESOR AGENCY TO THE AUBURN URBAN DEVELOPMENT AUTHORITY**

THIS LOAN AGREEMENT ("Agreement") is entered into as of [DATE], by and between the CITY OF AUBURN ("City") and SUCCESOR AGENCY TO THE AUBURN URBAN DEVELOPMENT AUTHORITY ("Agency").

### **RECITALS**

WHEREAS, the City under the provisions of AB 1X 26 has assumed the dissolution of the Auburn Urban Development Authority (AUDA) and created a Successor Agency ("Agency") for those purposes; and

WHEREAS, pursuant to the newly adopted AB 1484, amending and implementing AB 1X 26, the Agency is deemed to be a separate legal entity from the City of Auburn; and

WHEREAS, the Agency is vested with the responsibility of winding down AUDA's responsibilities and functions; and

WHEREAS, the Agency has submitted and obtained approval from the Oversight Board and Department of Finance for five Recognized Obligation Payment Schedules (ROPS) which by Agency's understanding accurately reflected those transactions that were required to be listed by the governing law; and

WHEREAS, the Agency understood and believed that the funds received from Placer County for ROPS II (covering the period from July through December 2012) were to be used for Fiscal Year 2011-12 rather than for Fiscal Year 2012-13. The Agency understood that these funds were to be used for the Agency's enforceable obligations for Fiscal Year 2011-12, and because of the error, the Agency suffered a shortfall for ROPS I; and

WHEREAS, the Department of Finance approved the debt service payment for 2008 Tax Allocation Bonds of \$209,1710.50 (Principal and Interest) on ROPS I as Item No. 1. (See Attachment 1; ROPS I and DOF approval letter for ROPS I.) Therefore, a loan from the City to cover the shortfall is an enforceable obligation; and

WHEREAS, the shortfall from the ROPS I period, paid for with RPTTF funds from the ROPS II period, ultimately resulted in an ongoing deficit of approximately \$187,564 in the Agency's reserve fund for debt service (Attachment 2; calculation and estimate through the end of the reporting period for ROPS 13-14A, December 31, 2013), which must be replenished in order for the Agency to avoid default under its loan agreements; and

WHEREAS, the City and Agency desired to avoid AUDA's or Agency's potential default, and City therefore advanced funds from the City of Auburn's pooled cash

account (quasi-transfer of funds from its general fund) as a means to fund DOF-approved enforceable obligations as a short-term loan; and

WHEREAS, Agency staff discussed the mistake from the second round of Recognized Obligation Repayment Schedule (ROPS II) and the City's advance of funds to cover the shortfall with analysts from Department of Finance, who advised Agency to place the total deficit amount on the Recognized Obligation Payment Schedule for the first half of Fiscal Year 2013/14 (ROPS 13/14A) as a separate line item; and

WHEREAS, Agency did include the item on ROPS 13/14A, which was approved by DOF on April 13, 2013; and

WHEREAS, Agency received only part of the amount of funds from the Redevelopment Property Tax Trust Fund (RPTTF) it requested in ROPS 13/14A, and therefore has included the remaining amount necessary to repay the City in ROPS 13/14B; and

WHEREAS, the City understands that the County cannot dispense the full amount requested in any given ROPS if there is insufficient Tax Increment to cover the amount, and therefore the Agency will continue to claim the remaining balance as estimated for each six-month period on that period's ROPS, and remit to the City as much as it can to repay the loan as quickly as possible; and

WHEREAS, both the City and the Agency understand that the Agency has not expended any money, nor entered into any loan agreements, that were not already previously approved by DOF, and item 4 on ROPS 13/14A is the same as item 4 on ROPS 13/14B, and will continue to be listed as item 4 on any future ROPS until the debt to the City is repaid.

WHEREAS, in order to memorialize and ratify the City's advance to the Agency, the parties now desire to capture the remaining amount owing from the Agency to the City in a formal short-term loan agreement for inclusion on each ROPS as background to support Item 4.

NOW THEREFORE, IT IS AGREED AS FOLLOWS:

Section 1. Loan to the Agency

City shall loan to the Agency under the terms of this Agreement a sum of \$187,564.00 (the Loan) to be repaid by the Agency in accordance with the terms of this Agreement and applicable law.

Section 2. Repayment of Loan by Agency

a. In accordance with Health & Safety Code Section 34173(h) and other provisions of AB 1484 (except as stated in Section 9 below), the Agency hereby agrees to identify this Loan as an "enforceable obligation" to be included on applicable

Recognized Obligation Payments Schedule(s), subject to Oversight Board approval, for the repayment of the Loan and shall make payments to the City, in the amounts and at the times such as to accomplish earliest repayment possible and allowed under the law. Generally and to the extent permitted by law, the parties agree that the Loan will accrue simple interest at the rate of one percent (1%) per annum or the Local Agency Investment Fund rate, whichever is greater. Beginning in fiscal year 2013, and continuing through payoff, each payment shall be credited first to interest then due and the remainder to principal.

b. Payments shall be made to the City at the following address: 1225 Lincoln Way, Auburn, CA 95603.

c. In the event that AB1484 is successfully challenged in Court, or further legislation is adopted such that Agency receives a repayment of the funds borrowed from the City from property tax revenues or other sources, then the outstanding amount of the Loan shall be immediately due and payable, subject to any amounts owed as outlined in Section 1(c) above. The Agency may repay the City with any cash or real-property assets that it holds or from the proceeds from the Redevelopment Obligation Retirement Fund, as satisfaction of the Loan.

### Section 3. Defaults.

a. Agency's failure to pay any amount due hereunder within 15 days of its due date after notice to Agency shall be considered an event of default under this Agreement.

b. Upon the occurrence of any event of default and expiration of any applicable cure period at the option of the City after 30 days prior written notice, the entire unpaid balance of principal and all accrued interest owing under this Agreement shall become immediately due and payable. City's failure in the exercise of any other right or remedy hereunder or under any agreement which secures the indebtedness or is related thereto shall not affect any right or remedy and no single or partial exercise of any such right or remedy shall preclude any further exercise thereof.

### Section 4. Costs of Enforcement.

Agency agrees to pay the following costs, expenses and attorneys' fees paid or incurred by the City or adjudged by a Court: (1) reasonable costs of collection, costs and expenses, and reasonable attorneys' fees paid or incurred in connection with the collection, enforcement for Loan Agreement, or of any covenant of this Agreement, whether or not suit is filed; (2) costs of suit and such sums the Court may adjudge as attorneys' fees in any action to enforce payment of all amounts due under this Agreement or any part of it; and (3) costs of suit and such sum as the Court may adjudge as reasonable attorneys' fees in any other litigation or controversy connected with the enforcement of this Agreement.

Section 5. Waivers.

Except as provided above, Agency and all others who may become liable for all or any part of this obligation, severally waive presentment for payment, demand and protest and notice of protest, and expressly consent to any extension of the time of payment hereof or of any installment hereof, to the release of any party liable for this obligation, and any such extension or release may be made without notice to any of said parties and without any way affecting or discharging this liability.

Section 6. Assignment and Assumption.

This Agreement shall be binding upon Agency, its successors and assigns. This Agreement is not transferable by the Agency, and the Agency shall not assign its rights and obligations hereunder without the prior written consent of the City. The City, at its option, may negotiate, transfer or assumption of this Agreement.

Section 7. Governing Law.

This Agreement shall be construed in accordance with and be governed by the laws of the State of California.

Section 8. Integration.

This Agreement represents the entire understanding of the parties as to those matters contained herein and supersedes all prior negotiations, representations, or agreements, both written and oral. Parties accept the recitals as true and accurate and incorporate those into this agreement. This Agreement may not be modified or altered except by written amendment executed by both parties.

Section 8. Partial Invalidity.

If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby.

Section 9. Amendments to repayment schedule

City and Agency agree and acknowledge that AB1484 is a newly adopted legislation and that repayment schedule may be subject to further adjustments under the law. Parties agree that the amounts are due and owing irrespective of the changes or provisions in the State law and will be repaid in the most expeditious manner allowed by law and that this agreement and the repayment schedule may be modified and amended in writing in the future; however, this Agreement is not subject to the repayment restrictions set forth under Health & Safety Code Section 34191.4 or any similar subsequent provision.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound, have executed this Agreement on the day and year first above written.

Pursuant to Health and Safety Code (HSC) section 34177 (l) (2) (C), the Auburn Successor Agency (SA) submitted revised Recognized Obligation Payment Schedules (ROPS) to the California Department of Finance (Finance) on May 10, 2012 for period the January to June 2012 and for the period July to December 2012. Finance is assuming appropriate oversight board approval. Finance has completed its review of your ROPS, which included obtaining clarification for various items.

Finance previously sent an approval letter to the SA dated May 24, 2012. Finance reviewed additional documentation provided by the SA. As a result, Finance revised conclusions and we are approving all the items listed on both ROPS at this time.

This is our determination with respect to any items funded from the Redevelopment Property Tax Trust Fund (RPPTF) for the June 1, 2012 property tax allocations. If your oversight board disagrees with our determination with respect to any items not funded with property tax, any future resolution of the disputed issue may be accommodated by amending the ROPS for the appropriate time period. Items not questioned during this review are subject to a subsequent review, if they are included on a future ROPS. If an item included on a future ROPS is not an enforceable obligation, Finance reserves the right to remove that item from the ROPS, even if it was not removed from the preceding ROPS.

Please refer to Exhibit 12 at [http://www.dof.ca.gov/assembly\\_bills\\_26-27/view.php](http://www.dof.ca.gov/assembly_bills_26-27/view.php) for the amount of RPTTF that was approved by Finance based on the schedule submitted. As you are aware the amount of available RPTTF is the same as the property tax increment that was available prior to ABx1 26. This amount is not and never was an unlimited funding source. Therefore as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available in the RPTTF.

Please direct inquiries to Robert Scott or Jenny DeAngelis at (916) 322-2985.

Sincerely,

MARK HILL  
Program Budget Manager

WHEREAS, the City of Auburn is authorized under Health and Safety
